Welcome!

The Mauritius Billfish Release International Tournament is taking place in Black River during the peak of the marlin season. Situated on the west coast of the Island, sheltered from the prevailing trade winds, Black River is the perfect place for unforgettable deep-sea fishing experiences!

The Event is being organized by dedicated and passionate anglers, in synergy with one of the regional leading hotel group in the Indian Ocean, LUX* Resorts and Hotels. The Main promoters and organizers are JPH Charters and LUX* Sports with the support of La Balise Marina.

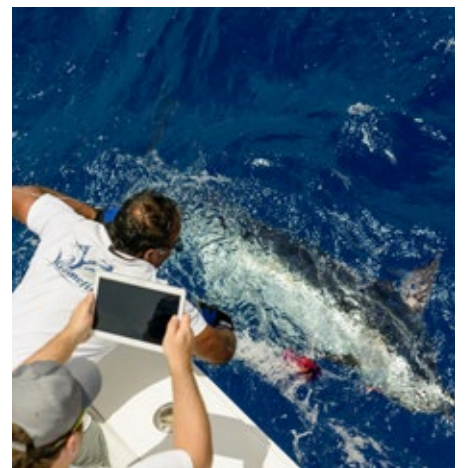

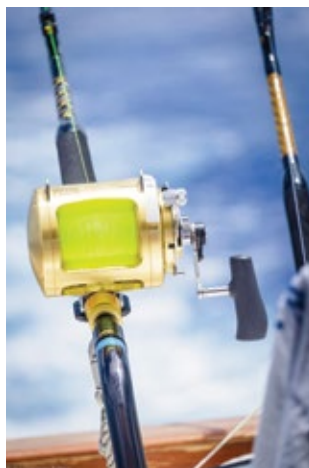

Number one in deep-sea fishing in Mauritius and established since 1975, JPH Charters has a solid experience in the organization of international fishing tournaments.

LUX* Sport (LUX* Resorts and Hotels) is the leader for sports travel and the organization of international sports events in Mauritius.

Situated in the breath-taking Black River area, La Balise Marina is an exclusive IRS project in Mauritius as it is the only residential marina development of the island.

The organizing committee, the tournaments' partners and sponsors really look forward to welcome you, your family and friends to this 2017 and third edition!

Tight lines!

RESULTS 2015: A FANTASTIC FIRST EDITION!

The first Edition of the Mauritius Billfish Release International Tournament successfully took place from 26th to 31st of January 2015. About 60 passionate international, local Anglers and fishing Crews took part in the tournament, making a total of 9 fantastic International teams plus one Mauritian team on the start line.

The event was also covered by a team of FreeSpool Media from South Africa on behalf of Supersport TV and also receives the support of Le Connoisseur – Oxenham Ltd, Air Mauritius, City Sport, PNL Ltd, Emba Filao Restaurant (LUX* Le Morne) and Ile Maurice Tourisme Infos.

The Organizers, Albert (LUX* Sports Manager) and Pascal (Director - JPH Charters) told that “The Tournament has been very successful at different levels. Fishing was very good. The fact that fishing days and hours were chosen according to tides and moon phases were very fruitful and the following results prove it: 10 Blue Marlins were released including 3 big ones estimated at 575 lbs., 700 lbs. and 800 lbs. respectively. It's the 1st time ever that such big Marlins are released during a tournament in Mauritius! 23 Marlin strikes were registered! All anglers and teams were highly motivated and ready to win. On the start of the fourth and last fishing day not less than 6 teams were on the “finish line” and each of them could have won! Furthermore the event took place in a great friendly atmosphere! The satisfaction to have contributed to the protection of the species by setting-up this 1st full release tournament. All this together with the support of our partners and sponsors, skippers and crews and of course all participants!”

Thomy de Speville (tournament's Best Angler) Captain of Team Mauritius (Winning Team) who has released two Blue Marlins during the tournament including one of the biggest said “I fish since I am a kid and have captured many Marlins including some big ones. It is the 1st time that I am releasing Marlins including such a big one! The feeling to see the Marlins going back free after the fight was amazing. I see now sport fishing differently and was very pleased to have in a certain way contributed to the protection of Marlins.”

The Winning Team:

Eric De Speville, Jayraj Rutnoo, Thomy De Speville and Hubert Gehan.

RESULTS 2016: EVGENY NOVOZHEEV & LUX* SPORTS WINS THE SECOND EDITION!

Evgeny Novozheev from Russia and LUX* Sports were declared the winners for Best Angler and Best Team respectively of the second edition of the Mauritius Billfish Release International Tournament that recently ended. The tournament took place from February 5th to 10th off the shore of Black River and Le Morne and was organized by LUX* Sports and JPH Charters, with the support of Phoenix Beverages- Blue Marlin, SIP & CO Ltd, Moana Ltd and La Balise Marina.

The second tournament was much more favoured by a right timing of the competition. 11 marlins were caught and released and 16 "strikes" were recorded during the 4 days competition.

Only 16 points separated the Best Angler from the second and there was only a minor difference of 42 points for the Best Team.

The Mauritius Billfish Release International Tournament is the first competition of its kind in Mauritius to give Prize money and that which practices a full release of the marlin.

The third edition will be held on the 26th to 31st of January 2017.

The Winning Team:

Pascal Henry, Josef Potisk, Babooram, Francisco & Pierre Walle.

Any Billfish	1 point per lb

A 100 points penalty will apply to any dead billfish

A boated shark will not be eligible for points

A mutilated fish will not qualify

3. TIES

In the event that one or more teams end up with the same amount of points, the victory will be attributed to the team who reached the total points first during the Tournament.

4. RELEASE RULES & PROCEDURES

A fish will be considered as released according to the IGFA rules as well as to Tournament RELEASE PROCEDURES. Only one Angler is allowed to handle the rod after the strike.

Tournament Release Rules:

The technical committee will consider a fish officially released when one of the following actions is completed:

- A. The crew is able to grab the leader
- B. The swivel hits the rod tip
- C. The connection (knot, splice, etc.) between the leader and the mainline/double passes through the rod tip

Tournament Release Procedure:

1. Report the strike to the technical committee on Cell (230) 57 27 88 94 or VHF 09 the name of Boat, the fishing zone and the fish species.
2. Take a picture and a film of the angler during the fight with the bracelet of the day.
3. Record film as per release video camera requirements.
4. Report the release of the fish to the technical committee on Cell (230) 57 27 88 94 or VHF 09

5. RELEASE VIDEO CAMERA REQUIREMENTS

All teams must provide their own video Camera(s) and know how to operate them to verify releases.

All video recording equipment must be synchronized to the official tournament time (GMT+4) and checked in by the tournament organizers.

To score an official release, the video footage must include sufficient continuous footage to:

- (1) Show a team member or crew touching the leader with the bracelet of the day while the fish is still hooked
- (2) Show part of the fight and full release of the healthy fish swimming away
- (3) Clearly identify the species

The video must be continuous with no breaks in recording and identify all of these elements. Do not delete any video taken during fishing hours, even if it does not include the above elements and will not be used to prove a catch.

Each registered angler and boat captain must then sign the catch-report affidavit. At the end of the day's fishing, the video camera and its connection devices, score card signed by the team captain and skipper and all video footage must be brought to the weigh station for verification of official release points.

Unless a team is still fighting a fish all score cards must be returned to the weigh master before weigh master closing time.

Failure to do so will result in disqualification of the catch.

The organisers reserve the right to use all images for advertising purposes.

6. THE COMMITTEE OBSERVER

The Committee reserves the right to place an observer on each participating Boat on each Tournament day.

7. FISHING EQUIPMENT

The tournament will be fished according to the IGFA rules and regulations. The technical committee may request from the angler the lure, line, and reel used to catch/release the fish. The technical Committee has the right to investigate and act upon any incident occurring during the tournament. It shall have the right to disqualify any capture following examination and measurement of tackle and equipment used on the boat. The technical committee holds the right to examine any tackle, hooks, line and/or leaders anytime during the event. Refusal to allow the committee to examine any tackle, line and/or leaders will result in immediate disqualification from the event without a refund of any registration fees. All decisions of the Ruling Committee are final and non-appealable.

8. PROTESTS

Any protest should be filed in writing by the Captain of the protesting Boat to the technical committee within one hour after the Weigh Master Closing Time.

9. WEATHER

The Organizing Committee may move or cancel any tournament fishing day if, in their judgment, unsafe conditions may exist at sea. If rough weather conditions exist and the tournament committee takes the decision to allow the participating boats to fish, the final decision to fish will be based solely on the judgment of the crew of each participating boat, keeping in mind the level of seaworthiness of their fishing vessel. All attempts will be made to fish as many days as possible, but as little as one day of fishing or any part thereof constitutes a complete tournament. If a scheduled day of fishing must be canceled, Monday 8th February, 2016 automatically becomes a fishing day.

Notice - bad weather conditions and exceptional situations: The Organising Committee can change, modify and/or cancel fishing dates in case of bad weather conditions resulting from cyclones, cyclone alert, strong winds, tidal wave, rough seas, flooding and any other natural disaster or exceptional situations beyond its control, occurring during or prior to the period of the tournament.

10. RIGHT OF ADMISSION

The committee reserves the right of admission to the tournament. Furthermore, any team member threatening or insulting a member of the committee will subject the team to immediate disqualification.

IN ALL CASES THE DECISIONS MADE BY THE COMMITTEE ARE IRREVOCABLE & FINAL.

The organisers reserve the right to use all images for advertising purposes.
